

normal probability plot for
glucosefor lean group

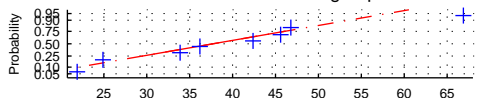

normal probability plot for
insulinfor lean group

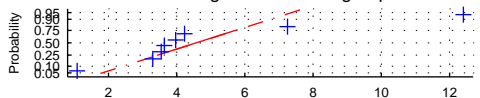

normal probability plot for
active GLP-1for lean group

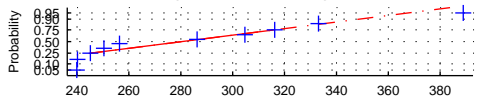

normal probability plot for
total GLP-1for lean group

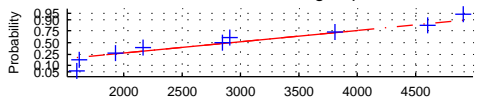

normal probability plot for
insulin:glucosefor lean group

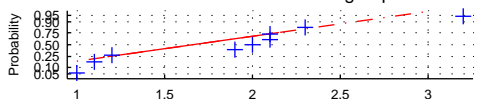

normal probability plot for
glucosefor obese group

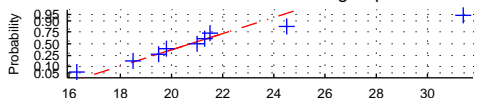

normal probability plot for
insulinfor obese group

normal probability plot for
active GLP-1for obese group

normal probability plot for
total GLP-1for obese group

normal probability plot for
insulin:glucosefor obese group
