

normal probability plot for  
glucosefor lean group

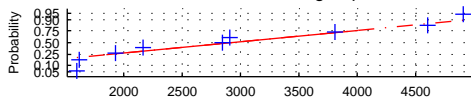

normal probability plot for  
glucosefor obese group

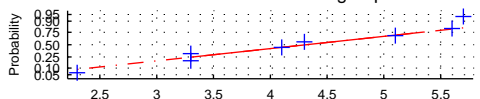

normal probability plot for  
insulinfor lean group

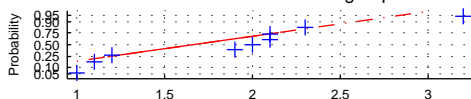

normal probability plot for  
insulinfor obese group

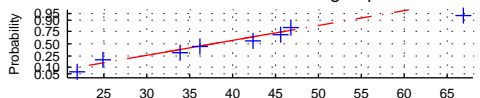

normal probability plot for  
active GLP-1for lean group

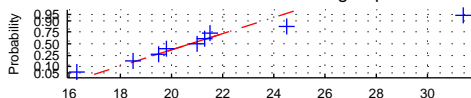

normal probability plot for  
active GLP-1for obese group

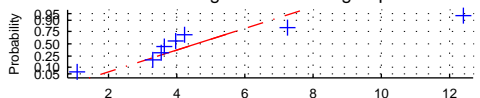

normal probability plot for  
total GLP-1for lean group

normal probability plot for  
total GLP-1for obese group

normal probability plot for  
insulin:glucosefor lean group

normal probability plot for  
insulin:glucosefor obese group
